

President's Message:

Thank you to everyone who attended Nottingham's 12th Annual Silent Auction! Our fundraising team did a fantastic job creating a beautiful and fun event. It was wonderful to see so many families having a chance to socialize outside of the school. Most importantly the many donations that the fundraising team solicited raised over 9600!!!! Those funds support Nottingham's extra curricular activities like Dash Sports and Kindermusik.

This night would not have been such a success without our fantastic fundraising team led by co chairs Jena Hune and Tracie Rennie, as well as our VP Special Events, Lydia Wall, who managed the huge number of donations we received from generous Nottingham families and the Oakville community. I would also like to thank those that purchased tickets to support the school even though they couldn't attend.

Nottingham's annual survey will be distributed via email after March break. Please take the time to fill out the survey as your feedback guides the Board of Directors and teachers in making decisions for future years. We are a co operative preschool and everyone's input is important!

Our next big event will be Movie Night in April. More information on this fun event will be coming out shortly.

I hope that everyone has a wonderful March break!

Nita
