Message from the Teachers

Hello Nottingham Families,

How is it June already?? This school year has truly flown by and we are so sad we are almost ready to say goodbye!

The year started out with its challenges as we were not having parents in the school but once again the children did such an amazing job of settling in without the normal parent visits. We were beyond thrilled to have all of our moms back at the school to spoil them a little for Mother's day! It felt like the good old days, it had been far too long. We are very much looking forward to having our in person graduations at the end of the school year. So pleased we are able to have you all in! (See dates and times attached)

Thank you to all of our families for their patients throughout the year as we continued to navigate our way through Covid. We are so grateful to you taking the time to test the children and keep them off when they were ill.

May was full of insects, birds, frogs and flowers. The children loved watching their

seeds grow...they really grasped the concept of the full plant and how the water travels up the stem (like a straw) and gives the flowers a drink. The JK/SK class studied birds and spent their afternoon time looking for various species of birds!!

In June we will be wrapping up our fantastic year. We have been practicing our songs for graduation (maybe you got a sneak peek??) and making extra special gifts for our dads.

Thank you to everyone who supported our Scholastic Book Club this year. Please continue to order books and enjoy your cuddle time with your littles!!

The teachers would like to take this opportunity to thank all of the parents who stepped up to be on the Board of Directors this year. As you know Nottingham works on volunteers and we could not have done it without them!! Much appreciated!! Also a big shout out to the parents who have volunteered for the incoming board...we appreciate you!

We had had an amazing year with all of your children. We are so grateful that you trusted us with your most precious gifts!! What a treat for us to watch the children grow and flourish over the school year. We wish you all a fantastic summer. Good luck to all of our families that are leaving us and we look forward to seeing all of returning families in the fall.

Presidents Message

Hi Families,

It's hard to believe that it is already June and we are just a few short weeks away from summer break. We know that the program has had to adapt through the pandemic and we thank you for all of your patience as we navigated the evolving public health guidelines. We are thrilled to be able to bring back in person graduation and the year-end picnic this year!

I want to thank all of the Nottingham families for your continued support of the school. Your participation in the school is what makes Nottingham the special place that it is. No matter what your volunteer role, we thank you for your time and efforts this year, we could not have done it without you!

To all our wonderful teachers, thank you for running such fun and creative programs for our children. You have made the year memorable and delivered a fantastic preschool experience to all our children. Kim, Jessica, Amy, Stacey and Dana, we are so lucky to have you at Nottingham!

To all of our graduating families, we will miss you and we wish you the best of luck next year! To all of our returning families we can't wait to hear about your summer when we see you again in September!

Wishing you all a wonderful summer break!

Sarah
