

Message from the President

Hello Nottingham Parents-

We hope all of our Nottingham children and their families had a wonderful Halloween! A huge thank you goes to our In-Class Parties Committee for planning such a fun celebration for the children at the school this week.

October was an exciting month for our Nottingham community as our Social Committee hosted our first family event of the year: Family Fun Night.

Thank you to the committee members and Holly Dalal, committee chair, for all of your hard work organizing the event! We hope that all the children enjoyed dressing up for this special event and that the parents had a chance to connect with old and new friends from the school.

We also said goodbye to Miss Clara in October. We were very sad to see her go but we wish her all the best in her new role at HDSB. The Board is hoping to complete our hiring process shortly so that we can make more announcements about staffing very soon!

Wishing everyone a great November!

-Elaine

Message from the Teachers

Hello Parents,

October was a super busy and exciting month!

The photos Lisa Tullett took were amazing! Your little darlings did a great job posing, smiling and entertaining!!

Our fall trip to Springridge farm was so much fun! The highlights were definitely the Boo Barn (which was NOT scary, but fun!!), the straw bale run, the animals and of course the wagon ride!! The weather was cool but at least the rain held off! And now we are all experts on the different types of pumpkins!! Our Fall and farm themes were lots of fun. The colourful crafts were so lovely to see! We hope you enjoyed them.

Halloween is always a blast at school! We had a wonderful costume parade, Happy Halloween games and a fun Halloween craft. The afternoon children enjoyed a Halloween parade over to DelManor. Such a wonderful experience for all involved! Please enjoy the swim\skate pass!

November promises to be an exciting month. Our theme includes Under the sea, Health and Nutrition, and shapes and colours. We will continue to have Music with Miss Ann and explore music through the fall! You can be sure the school will be rocking those days!!

Please be sure to: check supplies in the washrooms and restock as needed, check spare clothing and ensure it still fits your child and is seasonably appropriate, check art files for all of the beautiful masterpieces being created, and ensure you are sending hats, mittens, splash pants and warm clothing as we go outside daily. The playground tends to get cool as the sun only stays for part of the day. Label, label, label!!

JK Information Night

On November 23rd we will be hosting a Junior Kindergarten Open House. We will open up the classrooms to all of our children who are eligible for JK in the 2018-2019 school year. Please come and see our wonderful half day program which includes a reading program, math journals, weekly writing journals, Explode the Code and many other exciting activities. Looking forward to seeing you there!

Illness Policy

With cold and flu season upon us, just a gentle reminder that if your child shows signs of illness (fever, vomiting, diarrhea or green discharge from nose) please keep them at home to avoid the spread of illness among other children, parents and teachers. You can let your child's teacher know that your child will be absent via email or the Remind App.

Thank you for your cooperation!
