## Message from the Teachers

Hello Nottingham parents!

Welcome to our 2021-2022 school year at Nottingham, we are so excited to see returning families and can't wait to meet the new ones. This year's teaching staff includes Miss Kim (2am and 3am), Miss Amy (morning float teacher and JK/SK), Miss Jessica (3am and 3pm), Miss Stacy (2am, 3am and afternoon float teacher) and Miss Dana (3am and JK/SK) .

As we try to navigate another school year during the pandemic we can assure parents that we will do everything to keep the children, parents, staff and Community safe. Extra cleaning protocols are in place and all Covid 19 policies are being followed.

We will have our staggered starts the first week back to school. (except for the jk/sk class). If you are unsure of your staggered start time please reach out to your child's teacher.

We will be hosting a socially distant meet and greet with the parents during their scheduled one hour staggered start times. Please join the other parents at the front of the church for some refreshments and get to know the other families at Nottingham.

We are looking forward to an exciting September with all the children. The first few weeks of September is a time to get to know each other and we have planned many exciting, fun activities and we can't wait to get busy.

We ask that you bring a large backpack for your child with a full change of clothing. Your child will need a pair of labelled indoor shoes. Please be sure to label all of your child's belongings so we can ensure they are returned to the rightful owner.

If your child is not toilet trained we ask that you bring diapers and wipes in a large Ziploc bag with your child's name on it. The teachers will let you know when they need to be replenished.

September can be a warm month so we ask that you bring your child a water bottle, sun hat and apply sunscreen before they arrive at school. Your child may also require a light sweater or jacket for the cooler mornings.

We will send all artwork and beautiful creations home on Fridays in your child's backpack.

Please do not send your child to school if they seem unwell in any way. We must follow all the rules and regulations of the Covid-19 screening as well as our Nottingham health and safety policy. We need to ensure that we are keeping our children and staff safe and healthy.

Please be sure to join the Facebook group and that you have received an invitation to your class Messenger from your teacher. This will be our main source of communication this year.

If you have any questions, comments or concerns we are always available.

We can't wait to get this school year started!!

See you very soon,

Your Nottingham Teachers

## Presidents Message

Hello Nottingham Families!

Welcome to the 2021-2022 school year at Nottingham, we hope you had a wonderful summer! To all of our new families, we are excited to welcome you to the Nottingham Community, and to all of our returning families, we are so happy that you are joining us again this year!

Thank you to everyone who attended Orientation Night. Lots of fantastic questions were brought up, and if you have any more, please do not hesitate to reach out to one of our teachers or a board member. We are always happy to help answer your questions and address any concerns you may have! Everyone should have received the Parent Handbook and the Policies and Procedures Acknowledgement Form from our Registrar. Please make sure you read through the handbook and all the policies and complete the acknowledgement form

(<https://forms.gle/fr4iUcA6QzffrVNB9>) by September 10<sup>th</sup>. Our policies and parent handbook can also be found on our website.

I want to highlight a few things you will see at Nottingham this year. We continue to abide by our COVID-19 protocols, which were established last year. We require you to complete the online COVID-19 prescreening every day before dropping off your child. Once again this year we unfortunately are unable to accommodate parent volunteers in the classroom.

We still have a few spots available in our 3AM program, so if you know of anyone who might be interested, please have them contact Sim, our Registrar!

We hope you all have a wonderful school year!

-Sarah

## COVID-19 Prescreening Tool

This is just a reminder that you will need to complete our online prescreen **every day** before dropping off your child:
